- Unfinished Business:
 - Annual Meeting: New suggested Annual Meeting date is Tuesday April 25? If this date is confirmed, we will try to invite Bend Bikes. Perhaps Ariel Mendez would be a good 2nd speaker?
 - Galveston Improvements: Ryan Oster reached out. He wants to bump the major project out a year and agreed to revisit the design since the issues and the City has changed so much in the last 8 years. He's increasing the budget for the redesign and community outreach. The redesign will happen in 2023-2024. The project will be built in 2024-2025.
With this delay Ryan recommended contacting Janet Hruby about getting short term measures like crosswalks painted and solar flashing signs.
 - Portland Ave GO Bond: The City is again working on some options for Portland without taking public comment. We'll see what they come up with but probably won't have anything for review until June.

Meeting adjourned at 6:00pm. Next meeting will be held on **March 20th** via 'zoom'.
