

River West Neighborhood Association

RWNA Board Meeting
12:00pm Monday, April 25, 2022
Virtual

Called to Order 12.02

Open Forum – Holly Smith introduced herself to the board and expressed an interest in participating in RWNA.

Reports

- Marketing and Communications – Ashley has posted Old Bend Parking information and Worrell Park information to the website. RWNA is planning to move from the Gmail account to info@RiverwestNA.com. Ashley will post links to COB information on traffic and permits. RWNA would like to update the MailChimp template and have new members information go directly to MailChimp and not email.
- MOTION: A Motion was made to allot \$1000 for phase 2 to improve and make adjustments to the website. Ashley will coordinate the updates needed with Elise. The motion passed unanimously. RWNA March Minutes were approved unanimously.
- NLA – Cassie explained RWNA should follow the NLA roadmap if you want information on NLA priorities.
- Land USE/TSP –Gina attended the LUG but felt the meeting was not constructive. The question was asked if LUWG is an off shoot of NART since they use the NART site to post minutes etc. Cassie will follow up with Makayla on the NART and LUWG relationship. LUWG is currently focusing on STR's. The board discussed if RWNA parking permits will be in the future. Old Bend NA has opted in for the parking permit program which will have an effect on parking in RWNA. Worrell Park is still not settled but the county is still moving forward. 9th and Portland Ave is scheduled for a roundabout. Discussion on how the Newport Project is having an impact on Portland Ave traffic. The pedestrian bike connection at 14th and Ogden has been abandoned because it is not possible to meet the ADA accessibility. COB is looking at other options. Should RWNA request a meeting with COB for an update on GO Bod projects within RWNA. Gina will request a community meeting for follow up to RWNA annual meeting.

Unfinished Business

Adjourn at 1:05

Attending

Stephanie Higgins
Cassie Giddings
