5:00pm Monday, July 25, 2022

Called to Order 5:03pm

Open Forum - None

- Consent Calendar: June 2022 Minutes approved
- Reports:
 - NLA (Neighborhood Leaders Alliance): No meeting this month
 - TSP (Transportation System Plan): Review of Galveston Street progress
- Unfinished Business:
 - Board Members: Two departing board members finishing their terms; the Secretary and Member at Large. An acting Secretary has been installed with a confirmation vote expected in February.
 - Volunteers: There are two departing board members finishing their term. The board is looking for a Volunteer Coordinator. A communication will be sent out to the community and the website is to be updated.
 - Galveston Street Plans: A 151-page report has been received by the board and is available for review. This report does include several updates from the City Engineer. The project is not expected to begin until after the Portland Avenue project and the planned water project for Awbrey Butte is complete. Expected start date is now approximately 2025/2026. The board is requesting interim safety measures (ie: crosswalks, reflector lights, street markings, flags etc.) and is writing a letter to the City. Safety issues surrounding the Galveston corridor is a major issue in our neighborhood. Previously RWNA was told that interim safety measures were not needed - this was prior to the project delay.
 - Communications: Draft of postcard outlining community updates was presented and approved.

- New Business:
 - New NLA (Neighborhood Leaders Alliance) Representative: Gina Franzosa has applied and been appointed by the Mayor/City Council as the next NLA rep and has agreed to accept this position.
